TRAVEL: Travel fee will be determined prior to booking by distance and location. For all jobs outside of the Tampa Bay Area, the client will be charged \$.58/mile that each artist must drive. For a one person service within the Tampa Bay Area, there will be a \$25 fee. If client requires the artist to travel out of the greater Tampa Bay area over a 24-hour stay, the client will then be responsible for all travel and hotel accommodations.

PARKING: Client is responsible for parking for all artists. All parking fees, if required to travel to your getting ready destination, must be paid in advance, cash or validation.

TIME/SCHEDULE: *For every 30 minutes the client runs past their arrival/start time, an additional \$25 will be charged on top of the grand total.* Please do not assign each person to a time slot as our artists work very quickly and can be ready to take the next person. Our duty is to make sure you all run on time for your big day. (Even 10

minutes late can throw off the whole timeline.) A \$50 fee will be charged if arrival time for artists is before 7:30AM.

DAY OF EVENT: Upon arrival please make sure to supply the company with your room number or any special instructions of entry to your getting ready location. Everyone is to come with **CLEAN/DRIED** hair along with clean/moisturized faces. Please be sure to wear something that is easy to remove that will not mess up hair/makeup. Allow for enough table top space for all artists to set up along with making sure to supply access to electrical outlets and a shorter chair with lower back for hair services/bar stool for makeup. If these are not an option at your location please notify company 24hrs in advanced so we can make sure to provide the proper tools.

PAYMENTS: All payments will be due no later than the day before your wedding/event by 6pm. Gratuity is not included in the pricing and is always greatly appreciated.

CONTRACTED DATE: You may cancel this contract at any time up to four weeks before the date of service and only lose the deposit. After that you will be charged 50% of the quotes rate. If you cancel less than 48 hours prior to your event, 100% will be due. This contract is non-negotiable. Payment in full is expected the day before services are provided. _____(Date of event/wedding)
